# FRIENDS for Life

VOL. 28 - 2024

A PUBLICATION OF  
SOCIETY FOR THE PREVENTION OF CRUELTY TO ANIMALS LOS ANGELES

# FROM THE PRESIDENT

## DEAR FRIENDS,

At just two months old, Diego was a wreck.

Likely hit by a car, the sweet Doberman puppy suffered from a severely broken leg as well as dehydration and a tick infestation.

Diego underwent a complex surgery and a month of hospitalization to treat his fractured left humerus. Thanks to the support of donors like you and the generosity of VCA Lakewood Animal Hospital, we got Diego the lifesaving veterinary care he needed.

Diego is just one of many shelter pets who came to us with serious injuries this year.

Like him, they were stray, or lost, pets. Likely hit by cars. Requiring extensive veterinary care and rehabilitation.

And, like Diego, they counted on spcaLA.

We were able to help them because we can count on you.

If you are able, please make a special gift to help abused and injured animals this giving season.

Thank you,

**Madeline Bernstein**  
President, spcaLA
